

Change for \$100

I need change for a hundred dollars.

Change for what?

Change for a **hundred-dollar bill**.

Do you want 100 **one-dollar bills**?

I don't want 100 **one-dollar bills**. That's not what I need.

100 **ones** is one hundred dollars.

I know that 100 **ones** is one hundred dollars, but it's not what I need.

Do you want 20 **five-dollar bills**?

I don't want 20 **five-dollar bills**. That's not what I need.

20 **fives** is one hundred dollars.

I know 20 **fives** is one hundred dollars, but it's not what I need.

Do you want 10 **ten-dollar bills**?

I don't want 10 **ten-dollar bills**. That's not what I need.

10 **tens** is one hundred dollars.

I know 10 **tens** is one hundred dollars, but it's not what I need.

Do you want 5 **twenty-dollar bills**?

Yes, that's what I need. Five **twenty-dollar bills** is one hundred dollars. Five **twenties** is exactly what I need.

Well, I don't have 5 **twenties**, but I can give you 3 **twenties** and 4 **tens**.

Okay. That'll work.
