

How should I cut the pizza?

How should I cut the pizza? I have to feed six people.

You could cut it in **half**.

If I cut it in **half**, I only get 2 pieces. Two pieces is not enough.

You could cut it in **thirds**.

If I cut it in **thirds**, I only get 3 pieces. Three pieces is not enough.

You could cut it in **fourths**.

If I cut it in **fourths**, I only get 4 pieces. Four pieces is not enough.

You could cut it in **fifths**.

If I cut it in **fifths**, I only get 5 pieces. Five pieces is not enough.

You could cut it in **sixths**.

If I cut it in **sixths**, I get 6 pieces. Six pieces is enough for all six of us. I'll cut it in **sixths**.
